

## **Are You Providing Care for – or Worrying About – an Elderly Friend or Family Member?**

*Two great  
reasons to  
share the  
caring  
with  
The Gathering  
Place*

- 1. Your loved one receives quality care in a safe, supportive environment.**
  - Regular wellness checks and dedicated, professional staff who make personal service a priority.
  - Carefully planned activities and daily exercise programs to promote health and happiness.
- 2. You have time to take care of yourself so your loved one continues to benefit from the care that only you can provide.**
  - Feel caught-up again, less frustrated. Take care of other business and household chores on your “to do list.”
  - Rest, relax and revitalize yourself to help maintain your own health and strength, which your entire family depends on.
